Oil Sands Tailings Research Facility and the  
Canadian Oil Sands Network for Research and Development

December 5 - 8, 2010  
Mayfield Inns and Suites,  
Edmonton, Alberta, Canada

## Announcement and Call for Papers

The Oil Sands Tailings Research Facility (OSTRF) and the Canadian Oil Sands Network for Research and Development (CONRAD) are pleased to announce the Second International Conference on Oil Sands Tailings to be held in December 2010. Bringing together experts and interested individuals to address tailings technology and management in Alberta's Oil Sand Industry, the conference offers the most recent developments in oil sands tailings and management to the international community through invited speakers and select technical presentations. Keynote speakers will address the most challenging issues regarding oil sands tailings and management, significant research efforts to overcome these challenges and how industry is responding. Papers and posters will be presented under the following technical themes:

- Tailings Containment
- Soft Tailings and Stabilization
- Tailings Dewatering
- Reclamation
- Chemical Interactions
- New Tailings Management Concepts
- Water and Heat Considerations

### Abstracts

Prospective authors are invited to submit abstracts by March 1, 2010. All abstracts (prepared in English) should be limited to 250 words and should include a short title as well as the names of all authors and their affiliations. A number of abstracts may be selected for presentation at a poster session to be held concurrent to the conference. Abstracts must be submitted to Roy Ifill ([ifill@ualberta.ca](mailto:ifill@ualberta.ca)) and/or Mike Alostaz ([malostaz@ualberta.ca](mailto:malostaz@ualberta.ca)).

Authors will be notified regarding abstract acceptance by March 31, 2010. All papers must be submitted by June 30, 2010, accompanied by one full registration.

### Location and Date

The conference will be held from December 5 - 8, 2010, in the City of Edmonton, Alberta, Canada, the Gateway to the North. Conference details will be posted on the Oil Sands Tailings Research Facility website at [www.ostrf.com](http://www.ostrf.com).
